TARANIS RESOURCES INC.

Taranis Appoints Environmental Permitting Coordinator

Estes Park, Colorado, April 13, 2018 – Taranis Resources Inc. (“Taranis” or the “Company”) [TSX.V: TRO] is pleased to announce the appointment of Thomas Gardiner to the position of Environmental Permitting Coordinator for its Thor Project in southeastern British Columbia. Mr. Gardiner has been actively involved in managing environmental oversight activities at Thor, most recently overseeing the Company’s baseline water monitoring efforts and development of the Joint Mining and Environmental Application for the 10,000 tonne dense media separation plant at Thor. Mr. Gardiner earned a B.Sc. in Business Administration from the University of Denver and has regulatory compliance experience with Wells Fargo & Company.

John Gardiner, President and CEO remarks “Thomas will assist in navigating the environmental, compliance, and regulatory requirements that are becoming increasingly important in the mining sector and for Taranis in the development of Thor. In addition to his business training and experience, Thomas brings with him a high level of enthusiasm that is critical to making a sustainable mining operation”.

In conjunction with this appointment, the Company has granted an incentive stock option to Mr. Gardiner, entitling him to purchase up to a total of 300,000 shares at a price of \$0.♦ per share for a period of five years.

About Taranis Resources Inc.

Taranis is an exploration company focused on the development of its 100%-owned Thor project in southeast British Columbia. The Company’s mandate is to recognize mineral deposits early in the exploration cycle that can be developed through intelligent exploration and business alliances. For additional information on Taranis or its Thor project, please visit our website at www.taranisresources.com.

Taranis currently has 60,263,067 shares issued and outstanding (71,696,733 shares on a fully-diluted basis).
