## **Taranis Begins Trading on OTCQB Venture Marketplace in the United States**

**Lakewood, Colorado, January 26, 2017** – Taranis Resources Inc. (“Taranis”) [TSX.V: TRO] is pleased to announce that its common shares are now trading on the OTCQB® Venture Market in the United States under the symbol “TNREF”.

“Admission to the OTCQB market is part of a long-term strategy to introduce the Company to a broader international audience,” said John Gardiner, CEO of Taranis. “This provides us with a trading platform for many of our existing and future American investors as well as a means of increasing our international visibility.”

The OTCQB Venture Market is for entrepreneurial and development stage U.S. and international companies. To be eligible, companies must be current in their financial reporting, pass a minimum bid price test and undergo an annual company verification and management certification process. The OTCQB quality standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors.

Taranis will continue to trade on the TSX Venture Exchange (TSX-V) under its existing symbol “TRO”.
